STAR² CENTER

How to Get Started

So you just found out about all the free resources and services available through the STAR² Center to help you improve your workforce program -- now what? Here are some quick next steps to start utilizing these HRSA-supported services and tools, no matter what your role in your health center's workforce process is:

IF YOU'RE A CEO...

- Email <u>info@chcworkforce.org</u> to ask for your health center's recruitment & retention Data Profile.
- Share your Data Profile and this information with your HR Director and other appropriate team members for discussion.
- 3. Schedule a free phone consult to review your Data Profile and how to connect your team with new tools and resources.

IF YOU'RE AN HR DIRECTOR...

- Visit the Resource Center at <u>www.chcworkforce.org</u> to review tools, templates, checklists, and more!
- 2. Sign up for our monthly newsletter to stay updated on new tools and trainings.
- 3. Collect your team and complete the Self-Assessment Tool.
